

2022 d'Iberville Girls Youth Softball League

Sponsorship Form

Being a d'Iberville Youth Girls Softball sponsor can show your love and appreciation for our local teams. It promotes the desire for business owners like yourself or even an individual, to provide positive support for our local young ladies in youth organized sports. Team sponsorship, and sponsorship in general, is a great way to get your business name out in the public's eye and build a network of future clients. It shows you care enough to take the time and effort to give back to our next generation. Thank you for your support.
